JULY 2024 \* CHEPSTOW RACECOURSE \* CHEPSTOW

## LOCAL RESIDENT & BUSINESS GUIDE

### HELLO FROM CHEPSTOW SUMMER SESSIONS

We are delighted to be providing a fantastic line up of live music at Chepstow Racecourse on Friday 5th, Saturday 6th and Tuesday 9th July 2024.

We have a range of incredible headline artists featuring global superstar Shania Twain supported by Rag n Bone Man, the legend Sir Tom Jones supported by Billy Ocean, Gabrielle and Stone Foundation and chart topper Hozier supported by Brittany Howard and Lord Huron.

\*please note timings are subject to change

## RESIDENT FAQs

### Are the sound levels monitored by the council?

Yes. In addition, we have a stringent sound management policy that is managed and adhered to by a recognised independent company. If you do have any queries regarding sound during the event, please contact the resident phone line on this leaflet.

### What arrangements have been made to transport people home after the event?

Chepstow Summer Sessions are working in partnership with Big Green Coach and First Transport Solutions who will be providing shuttle/coach services to and from the event and a park and ride in operation from David Broome Event Centre. There is also a taxi and drop off/pick up point outside the racecourse.

### Will there be fireworks?

There will be no fireworks during the concerts, however, please note that pyrotechnic effects may be in use on some shows.

### Why are there road closures on the A466 and surrounding roads on the night of the events?

The roads are required to be closed to vehicles on all three nights to maintain a safe environment for the general public.

### Will there be additional security at the event?

Yes, Chepstow Summer Sessions pay for an additional security presence during the concerts.

### Can I still purchase tickets for the concerts?

Yes. Please visit <https://www.smmrsessions.com/locations/chepstow> to book.

## KEY INFORMATION

### CONCERT ARENA

The main concert arena preparations will begin on Tuesday 25th June 2024 with all work finished by Wednesday 17th July 2024.

Please note there will be load out activity and essential site maintenance directly after each event. This includes site activity, stage activity and litter picking. All crew are briefed to keep the noise to a minimum.

All site activity will be suspended on Friday 12th July 2024 due to the race day.

### CAR PARKS

Car parking will be limited for 2024 and is expected to sell out. All customers are advised to pre book their travel or walk to the racecourse if possible.

No overnight car parking is permitted. Car parks will open daily at 12:00 on Friday 5th and Saturday 6th and 14:00 on Tuesday 9th and close at midnight or after the last car has left (whichever is earlier).

### TRANSPORT

We are offering more alternative travel choices to our customers for 2024. Chepstow Summer Sessions travel partners include Big Green Coach, First Transport Solutions and Transport for Wales who will be providing additional, and in most cases, dedicated coach, bus, and train services.

We will be posting further details on our social media and website and communicating this to our ticket holders in advance of the events. We would recommend walking to the racecourse, if possible, as the roads around the local area will be busy especially around 16:00-18:00. and 22:30-23:30.

Tracsis are a leading event traffic management company employed by Chepstow Summer Sessions to manage all car parking, traffic management and signage for the duration of the events.

## KEY INFORMATION CONTINUED

### RESIDENT ACCESS

As part of the traffic management plan, there are planned road closures in place to ensure the safety and security of all concert goers & residents on all concert days.
